Attn: FEDERAL ELECTION COMMISSION

To whom it may concern:

I am writing to you with great concern, regarding the future of the United States Of America. I am saddened to see what is becoming of all the hard working Americans year after year factory workers, farmers, small businesses who have held, and are holding up our country while others are letting the land of the free slip away by deceit, lobbyists, the power of corporations buying their way. What does the future have to hold for our children?

I highly oppose anyone to disrupt the Reform party. I do not want Dick Lamm governing the Reform party, as Russ Verney states represents a small group of people. (Schaumburg, Ohio)

We all as good American citizens worked hard along with Perot/Choate to dedicate our time & love for our country.

The Reform parties name should remain with the organization.

Kindest Regards,

Anna Barber
